Dear Artis,

As you are aware, the Federal Medical Leave Act (FMLA) provides up to twelve weeks of an unpaid leave in a twelve-month period, and continuation of health benefits under certain circumstances. Your current approved FMLA leave began back on September 12, 2012 until October 19, 2012. We have received your Fit for Duty form completed by your physician; releasing you to return to work at full capacity as of October 22, 2012.

You previously used FMLA beginning January 18, 2012 until January 30, 2012, to care for your spouse. You currently have 4 weeks and 6 days of FMLA remaining in this 12 month period. If you have the need for additional FMLA time, please contact me.

Feel free to contact me if you have any questions.

Sincerely,

Sharon Trowell-Roman
HR Manager
